Subject: Weekly Update Tonight - Friday 6PM US Mtn Time

Dakota Matrix Minerals

April 10, 2015

Hi Folks,

[Our Weekly Update is tonight at 6pm US Mtn Time.](#)

Postings tonight at 6pm US Mountain Time will include a matrix **A Scottyite with Wesselsite & Lavinskyite, A Butte Chalcocite with Betekhtinite, a Holotype Cobaltzippeite**, some Russian rare minerals, Tolovkite, Clinotyrolite, and Clinoclase from Nevada and many more.

As a reminder:

1. If you are a registered user, **you have the power** to know ahead of time if a certain mineral will be posted. Just fill out your **WANT LIST**. Go to "[My Account > Lists > Want Lists](#)" and fill out the blanks one mineral per slot. When one of these minerals, on your list is due to be posted, you will get an email notice. You will know ahead of time...usually same day... You need to be a registered user. Please click [Want List for additional help](#).

2. Remember, you do not have to be logged in to order. You can email me or call me (605) 718-9130. Although I'm usually screwing off and not answering the phone after preparing an update. Ordering online through the cart, however, is the surest way of getting your specimens.

Thanks!

Tom
