Special Mineral Offers!

With today's Dollar-Euro Exchange Rate taking some of the fun out of mineral buying for many of our overseas clients and Tax Season doing the same here in the States, I thought a few special offers would help cheer everyone up....

For our European and overseas clients, including Canada as well, we are now offering 25% discounts on all new items and up to 50% discounts on all older showroom minerals!

This means most of our older stock is now half price during the duration of this very special offer! Only Golds and Silvers will carry a different discount. This should put a dent in the current Dollar-Euro exchange rate. There is no limit on items.

For our American clients, our special tax season discount is

basically the same - 25% off on all new items and up to 50% off on all older showroom minerals! Again there is no limit and this sale offer can be combined with the layaway option!

These offers apply to every mineral showroom on the entire website and will run until the end of April. I can't think of a better time to go shopping for fine minerals. The discounts will be applied to the online prices of each item chosen.

** Thanks again for making us your choice for the Finest Minerals **
