## We have added new specimens to the website.

New items have been added for auction also. There are 100 great items - too many good ones to feature all in this mail! Highlights include:

- \* large well crystallized acanthite/silver from Creede, Colorado
- \* excellent malachite after azurite from Tsumeb
- \* showy pink Chinese calcite
- \* large quartz/fluorite from England
- \* superb mottramite from Ojuela
- \* several excellent groups or lots of minerals
- \* Plus many, many others ...

As always, we welcome your comments and suggestions.

Weinrich Minerals, Inc.
