We have added new specimens to the website. One update has featured new and attractive barite specimens from Iowa.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great items - too many good ones to feature all in this mail! Highlights include:

- * fine old German pyromorphite
- * large showy blue gemmy celestine from Madagascar
- * numerous choice galena specimens from various localities
- * Mexican silver specimens
- * Bisbee calcite with malachite
- * showy large yellow mimetite from Mexico
- * Plus many, many others ...

As always, we welcome your comments and suggestions.
