New Updates - Auction Closing

We continue to add new specimens to the website. Look for new updates from the Vochten collection within the next day or two. To view specimens that have been added throughout the week click here: [New Specimens](#).

New specimens have been added to the discount section. Some great specimens are now being offered at 50% to 80% off their list prices! To see these directly click here: [Discount Specimens](#).

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 101 great specimens available. Some very nice things here! These include:

many neat rare species from the Henkel collection
choice crystallized copper from Russia
excellent French pyromorphite
neatly crystallized copper from Arizona
large pretty pink calcite from China
Plus many others

You can find these by clicking on the [Auction Link](#) on our Home Page.
