New Updates - New Auction

This week we have a huge auction - our largest ever! There are 179 great specimens/lots available this week. Some very nice things here! Some of the highlights include:

**excellent specimens of native copper from numerous localities
many good mixed lots of minerals
choice specimens from the Vochten and Galas collections
You can find these by clicking on the [Auction Link](#) on our Home Page.**

We have added many new specimens to the website galleries. To view the latest updates click here: [Latest Updates](#)

Watch for short spontaneous sales with very attractive discounts. One later today and possibly over the weekend. Watch the announcement section on the home page for this. A direct link to this section is here: [Discounted Specimens](#)
