Subject: * * Update - The Tucson Mineral Auction Closes Tomorrow! * *

The Last Two Days of Bidding!

The current Tucson Show Mineral Auction is now winding down and will close tomorrow, Thursday May 19th, at 8 PM CST / 9 PM EST time. The bidding is still very low and many beautiful specimens are looking for their opening offers!

NOTE- ALL Reserves have been Lowered by 20% to 30%!!!

I'm serious about finding new homes for these fine auction specimens so I've gone through the auction and dropped the suggested reserve for every auction item without an opening bid. Browse through the auction and you will see that many reserves are now way below wholesale (half price) and many are close to double keystone or 66% off the retail prices. I hope everyone takes advantage of these lower reserve levels and joins in the bidding during the final two days!

Please email your best offers!
