The Tucson 2017 Mineral Auctions

**The Tucson Mineral Auction is down to just 2 more days of bidding!
You can tell that Summer is here because Bid Levels are LOW!
The Bargains are Everywhere in this Auction!!**

The auction is filled with over two dozen beautiful specimens and many are still in need of an opening bid. Even those with bids are mostly below the reserves. If you haven't visited the auction, now's the perfect time to browse the selection. If you're watching items, now is the time to bid. The highest bids win at closing!
