New Red Zircon / Ste Marie 2017 Report

Red Zircon from Astor Valley

I've posted excellent new red zircon specimens in this [Pakistan Red Zircon Update \(click here\)](#). These are from a new find at Astor Valley, Gilgit-Baltistan, Pakistan. Ranging in colour from wine red to a deep intense red, they are truly beautiful zircon crystals.

Sainte-Marie-aux-Mines 2017 Report

I've also added a new post in the blog, my [Sainte-Marie-aux-Mines 2017 Report \(click here\)](#). Among other things, the post gives a glimpse into some new specimens that will be coming soon on the website.

Canadian and US Dollar

The currency disparity remains significant in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).
