The First Ever Double Keystone Mineral Auction!

We've never done this before but for one week only, three dozen fine mineral specimens will be offered in the new auction with opening reserves which are deeply discounted with most at DOUBLE KEYSTONE price levels! We've added extra specimens to this incredible auction and the selection is wide and varied! In this auction you will find beautiful specimens far below their wholesale prices. Double Keystone means a 75% starting discount in most cases and I hope everyone will take advantage of the prices and place a bid!

There's literally something for all collectors in this very exciting Auction!
You're invited to take part in the action and place your best bids to win!
