The Flash Sale Auction is Open for Bidding!

This is the Second Denver Show Auction and in conjunction with the Flash Sale being run on the entire website this week, it will offer 30 of our finest mineral specimens at half price or less opening reserves! These are both new and older specimens of high quality and exceptional quality and the opening bidding levels are way below show pricing and many are below our own cost. Pricing on fine mineral specimens doesn't get any better than what you'll see in this very special Flash Auction! Place your best bids and offers and win!
