New Updates - Special Sale - New Auction

During the past two days we have added over 60 new specimens to the website. These updates include attractive Swiss alpine specimens, Illinois fluorite specimens, etc. You can check these out by clicking on the "[Latest Additions](#)" link on the home page.

We have moved five very good specimens in to the "On Sale Now" section. These are really great bargains currently at 75% off the listed price. This sale will only last one day. You can view these by clicking on the "[One Sale Now](#)" link on the the home page.

New auction specimens are now available. There are 151 new specimens now available, with this auction closing at 7 pm eastern standard time on Tuesday, October 10, 2017. Some of the highlights include:

- gorgeous Colorado rhodochrosite
- historical and fine monazite from Colorado, ex Ed Over, John Sinkankas
- an excellent Tsumeb azurite
- gem kunzite from California
- several beautiful smithsonite specimens from Tsumeb
- large well crystallized actinolite
- large excellent vivianite from Cameroon
- Plus many others.
