The Denver Auction is Open for Bidding!

The Newest Denver Mineral Auction is Online and Open for Bidding! This is a **NO RESERVE** mineral auction, meaning all items start at zero and advance from there. You will be amazed at the fine offering for a no reserve auction and there are more than two dozen beautiful specimens to choose and bid on. Please place your bids early and often. If this auction proves to be a popular one, we'll feature more of this variety in the future. Good luck to all and enjoy the auction!
