New Tourmaline

I've added beautiful new elbaite specimens from Pakistan and Afghanistan in this [Tourmaline Update \(click here\)](#).

Several of the tourmalines from Stak Nala were very recently collected - I acquired them from a family that is mining the specimens.

Hope you enjoy these!

Canadian and US Dollar

The currency disparity remains significant in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).

if you are receiving this email in any format in which the above link does not work, the address is:
