New Updates - Auction Closing

We continue to add new specimens to the website. I am currently traveling but should have many more to the site by Friday this week. To see these directly, go to "[Latest Additions](#)" on the home page.

This is a reminder that the auction will close this evening. There are currently 116 great specimens now available. The auction will close at 7 p.m. eastern standard time on Tuesday, March 27, 2018. Some of the highlights include:

1. gorgeous gemmy amber fluorite from Saxony
2. very pretty wulfenite from China
3. choice pearceite from Peru
4. wonderful pretty cabinet azurite from Tsumeb
5. several attractive large fluorite specimens from Spain
6. very fine high quality galena twin from Missouri; one of the better ones!
7. classic cuprite/copper from Cornwall, England
8. large gorgeous red inesite from South Africa
9. exceptional gemmy red undamaged rhodochrosite from South Africa
10. superb lustrous sharp sphalerite from Russia
11. a number of fine and neat thumbnail specimens

Plus many others. To view these directly go to the [Auction Link](#) on the home page.
