*** The Tucson Show 2018 Mineral Auctions ***
The \$485, \$895, & \$985 Opening Bids Auction!

The first three of these Auctions were super popular so we're opening another one today! This time however, all specimens in the auction will have suggested reserves of only \$485, \$895, and \$985 regardless of their original prices so the choices are even greater for auction bidders! The auctions keep getting better and better with an incredible selection of new show specimens to bid on. There will be items for every collection in this auction and I hope everyone will take part in the action, place a bid or two, and win a beautiful new show specimen!

Please feel free to make offers below the reserves if you wish but make certain you make your best offers so you increase your odds of winning. The leading or highest bids will win on closing night! Here are some of the auction rules:

You may bid as high or as low as you wish
The highest bids will win on closing night
Proxy bids are allowed and encouraged

Silent maximum bids are allowed and always a good idea
There is no limit of the number of items you can bid on
