The Tucson Auction Closes Tomorrow!

The New Tucson Show Auction is down to just today and tomorrow and will officially close on Monday evening at 9 PM Central / 10 PM Eastern!

Summer is here and with it comes slower than normal bidding which means many specimens are still in need of opening bids and great deals for bidders who take advantage and participate while others are away!

There are currently 30 beautiful mineral specimens available in the auction and all are available at HUGE discounts to their original prices! I encourage everyone to take part in the auction. The highest bids will win on closing night and right now bidding levels are incredibly low and many items need bids!

Don't miss out as we count down the final hours!

Each auction item lists at only \$485, \$895 & \$1285!

All reasonable bids and offers will be accepted!
