View our latest additions, plus the auction closes tonight!

We are always adding new specimens to our catalog, so be sure to check out our <u>Latest Additions</u>.

The auction closes this evening at 7 p.m. EST. There are 147 great specimens available.

Highlights include:

- several excellent celestine specimens, including a fine large cabinet piece, from Ohio
- numerous beautiful fluorite specimens from Illinois
- a very fine Illinois witherite
- two excellent matrix red beryl specimens from Utah
- a set of neat Pulsifer Quarry fluorapatite thumbnail specimens
- large showy amethyst from Maine
- well crystallized salammoniac from Chile
- Plus many other neat Wadleigh collection specimens

View our fine specimens and place your bid today!
