**\* The Denver Show 2018 Mineral Auctions \***

**\$485, \$685, \$985, & \$1285 Opening Bids!**

The Denver Auctions officially open today with this fine offering of new show and showroom specimens at very low opening reserve levels! The auction has reserves of only \$485, \$685, \$985, and \$1285 regardless of the original prices to give all auction bidders plenty of options! The auctions keep getting better and better with a beautiful selection of fine specimens to bid on. There will be something for every collection in this auction and I hope everyone will take part in the action, place a bid or two, and win a beautiful new show specimen!

Please feel free to make offers below the reserves if you wish but make certain you make your best offers so you increase your odds of winning. The leading or highest bids will win on closing night! Here are some of the auction rules:

**You may bid as high or as low as you wish**

The highest bids will win on closing night  
Proxy bids are allowed and encouraged  
Silent maximum bids are allowed and always a good idea  
There is no limit of the number of items you can bid on
