** The Tucson 2019 Showroom Updates **

Finally, the First Tucson Showroom for this year's show is online! There are over two dozen incredible specimens in this first update, with many more to follow in the weeks to come! I'll be listing several new mineral collections consisting of classic specimens from around the world! The first of these will make their appearance in today's first showroom update. There will definitely be something for every collection and I welcome all mineral requests if you have specific items you are looking for. We might just have what you need in our new inventory and I can email pictures if we do. Enjoy the new update and please feel free to ask questions or make offers. Layaways are available.
