Subject: Mineral Sale: Reduced prices on 130 mineral specimens

New minerals are now online at johnbetts-fineminerals.com

MINERAL SALE

I spent the last week in Tucson, and was unable to photograph or catalog new mineral listings for this site. As a result, this week's update is a group of older minerals at reduced prices for a short 7 day mineral sale.

Two pages of Sale Minerals were posted at:

[SALE MINERALS \\$50 to \\$2500](#)

[SALE MINERALS BELOW \\$50](#)

or cut-and-past these links into your browser:

<http://www.johnbetts-fineminerals.com/jhbny/newlist1.htm>

The minerals are **temporarily** available at reduced prices.

The green price is valid until 12:00 noon (New York Time) on February 12, 2019.

The discount prices cannot be combined with any other discounts.

Please request "**FEB2019SALE**" in the "Additional items, instructions or comments" section at the bottom of my order form.

Sincerely,

John Betts, owner
