Subject: New Update - Auction Closing

View our latest additions, plus the auction closes tonight!

We continue to add new specimens to the website. To view these please click on the <u>Latest Additions</u> link on the home page. Look for a few huge updates in all price ranges very soon.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 129 great specimens. Some of the highlights include:

- wonderfully crystallized copper from Michigan
- neat adamite/arsendescloizite combination from Mexico
- · superb mottramite from Mexico; neat stalactites
- several good Tsumeb specimens
- showy wulfenite/mimetite from Mexico
- several fine epidote specimens from Pakistan
- numerous excellent and some unusual calcite specimens from the Ojuela mine
- · very fine blue hemimorphite from Ojuela mine
- Plus many others

View our fine specimens and place your bid today!
