WEINRICH MINERALS

During the past two days we have added over 150 new specimens to the website. All of these from the recently acquired collection of Doug Toland (Alaska epidote fame). With close to 3000 specimens in this worldwide collection, there will be many frequent updates during the coming months. To view these please click on the [Latest Additions](#) link on the home page.

We have updated the auction site with 126 new specimens. This auction will close Tuesday, June 4, 2019 at 7 p.m. eastern standard time. Some of the highlights include:

- several attractive azurite specimens from Mexico
- gorgeous tourmaline from Pakistan
- very fine adamite from Mexico
- sharp platinum crystal from Russia
- wonderful amazonite/smoky quartz combo from Colorado
- excellent Red Cloud mine, Arizona wulfenite
- Plus many others
