*** The Tucson Show 2019 Mineral Auctions ***

The Tucson Show Auction is down to its final day of bidding!

The auction is currently very underbid and the great bargains are everywhere!

I encourage everyone to visit the offering today and take advantage of the low bid levels and make your best offers. The auction closes tonight at 9 PM CST.

Tucson 2019 Auction

This will be the final Auction for the Tucson Show. Due to declining participation, I feel it may be time to try something different. I am playing with the idea of trying a new format.

A weekly half price sale on select items, set aside in their own showroom perhaps. I'm open to all ideas or suggestions.
