## \* The Tucson 2019 Showroom Updates \*

The Mineral Gallery and Exceptional Minerals are very proud to announce the opening of our newest Tucson Mineral Showroom! Mineral specimens are one of the most unique collectibles in the world, thousands to millions of years in the making, and no two specimens are alike. They are truly one of a kind examples of natural's art. In this update you will find some of the finest pieces we found at the recent show and there should be something for every collector and collection. Your comments and all reasonable offers are very welcome! Layaway purchase plans are always available as well.
