* The Denver 2019 Showroom Updates *

The First Denver Showroom for this year's show is now online! There are over two dozen incredible specimens in this first update, with many more to follow in the weeks to come! We acquired many spectacular new specimens, including many classic specimens from around the world, and the first offering of these begin to make their appearance in today's update! There will definitely be something for every collection and I welcome and encourage requests if you have specific items you are looking for. We might just have what you need in our new inventory and I can email pictures if we do. Enjoy the new showroom and please feel free to ask questions or make offers. Layaways are available.
