**** The Spring Mineral Clearance Sale ****

Mineral specimens have been flying off the website during the huge 70% OFF Spring Mineral Sale! Thank you to everyone who is taking this opportunity to build their collections! I'm adding additional specimens this week to the mineral showrooms and a new Tucson 2020 Update will also take place this week with new items from the recent Tucson Show filling a third showroom. Stay tuned!

Please act quickly to reserve all your items of interest! Every other showroom on the website will continue to feature huge mineral sale discounts up to 50%! **The new Tucson 2020 Showrooms are not included but offers are welcome.**

I've removed most of the sold specimens to make for quicker browsing.
