Subject: * The Denver Show / Hurricane Sally Flash Sale! *

**** The Denver Show 2020 - Hurricane Flash Sale ****

All Website Items are 30% to 50% OFF!

Normally this is the time of year that I run the Denver Show Mineral Sale but this year, thanks to a pandemic and hurricane that hit our area last week with winds of 120 mph, things are a little off schedule. Long story short, I'm ready to get back to work and make some great deals!

I have too much inventory and lots of storm clean up to pay for. All specimens on the website will be discounted 30% to 50% OFF their listed prices. A few consignment items may have different discounts but everything else is included in the sale! I'm also open to any and all offers and layaways are available. Reserve your choices quickly!
