Subject: Millington minerals from author's collection (including an illustrated specimen)

New Minerals Posted at John Betts - Fine Minerals

The weekly mineral update was posted to John Betts - Fine Minerals moments ago. This is the email notification you requested.

This week's minerals are a great collection of zeolite minerals from Millington Quarry, NJ from the collection of Prof. Martin Becker, geology professor and author of **Recent Mineral Finds at the Millington Quarry** (1998) in *Rocks and Minerals* v.73 #5. One calcite was illustrated in the article. And several of the minerals are from the same pockets as illustrated in the article.

Minerals posted include:

- Pectolite with minor Pyrite (complete cavity in two parts)
- Apophyllite and Calcite on Pectolite
- Calcite (illustrated specimen)
- Pectolite with Pyrite and Apophyllite on Datolite
- Apophyllite with minor Goethite
- Pectolite over Datolite
- Apophyllite with Petroleum (naturally occurring Hydrocarbons)
- Pectolite on Datolite with Apophyllite and Hematite
- Apophyllite on Prehnite pseudomorphs after Anhydrite
- Apophyllite and Pyrite on Datolite
- Prehnite
- Stilbite over Calcite
- Apophyllite on Datolite
- Prehnite with Apophyllite
- Apophyllite on Pectolite
- Heulandite and Calcite on Apophyllite with Chlorite inclusions
- Quartz with Pyrite and Goethite
- Stilbite and Calcite
- Heulandite, Stilbite, Calcite
- Apophyllite with Pyrite over Datolite
- Apophyllite on Pectolite
- Calcite
- Apophyllite with Chlorite inclusions over Calcite
- Calcite
- Apophyllite with Pyrite
- Apophyllite on Pectolite
- Datolite with unidentified mineral (chamosite?)
- Prehnite, Apophyllite, Calcite, Chlorite
- Quartz on Calcite with Pyrite and Goethite inclusions
- Natrolite over Apophyllite

- Prehnite with Goethite and Apophyllite
- Apophyllite
- Prehnite
- Calcite (pseudocubic habit)
- Apophyllite
- Apophyllite with Chlorite
- Calcite, Prehnite, Natrolite, Chlorite
- Prehnite
- Apophyllite and Goethite on Calcite
