New from the John S. White Collection

I've added some absolutely superb specimens from the collection of [John S. White \(click here\)](#). These are mixed international highlights from the display case in John's library/study – they are exquisite pieces.

I hope you enjoy these specimens!

Canadian Dollar

The currency disparity is significant in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).
