Subject: Some of my best minerals

Minerals Posted at John Betts - Fine Minerals

The new mineral update was posted at John Betts - Fine Minerals moments ago. This is the advance notification you requested for when new minerals added to my web site.

In response to requests for better, higher quality minerals, I gathered together minerals priced \$400 to \$1000.

One of the highlights is the aquamarine crystal from from Slievenamiskan, Ireland (above).
