**The Largest Exceptional Minerals Update in Years!**

**\* 10 Showrooms of Our Finest Mineral Specimens**

**\***

This is the largest Exceptional Mineral Showroom Update this decade, literally! The last update which covered every single showroom was in 2019, five years ago, so this one is long overdue. All ten showrooms have been restocked with nearly 200 of our highest quality mineral specimens with large, high

resolution photographs. Many of the specimens in this update have never been seen on the website and more are coming in the days and weeks to come. Reserve your selections and please feel free to email me your best offers on all specimens.

**\* Layaways are Always Welcome \***
